

Online Billing Familiarisation

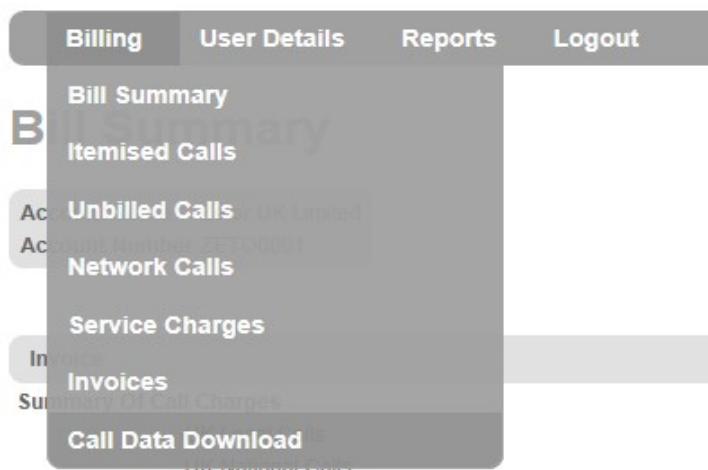

To access the online billing, go to: <https://greentelecom.co.uk/online-billing/>

Having signed in with your username and password and accepted our cookies policy, your billing information will be available to view.

At the top of the screen there are four tabs; Billing, User Details, Reports and Log out. We are confident that you will be able to easily find any data you may wish to look at.

The Billing tab contains all your call and service data, together with previous and current invoices.

This makes it possible for missed invoices to be replaced easily and quickly.
